## REFERENCES

Please enter here the contact details of people who can act as referee in support of your application. We will then contact your referee directly and ask them to comment on your academic ability and your general suitability to undertake your chosen path of study.

The University will only accept references from the list of suitable referees given below in the 'Relationship' field.

We strongly recommend you check that each of your nominated referee has agreed to provide a reference for you.

If you have scanned copies of your reference you can provide them with your other supporting documents. In this case, please add their details below as normal, but also tick the Declaration check box at the beginning of this section and we will not contact your referee directly.

We would like to contact your referee directly, on submission of this application. Would you instead like to scan and share the reference yourself (Yes/No)
